CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

23 AUG 1976

Mr. Harold Weisberg
Route 12
Frederick, MD 21701

Dear Mr. Weisberg:

This responds to portions of your letters to me of 21 July and 6 August, which we are handling under F-75-6669.

The "new request" of 21 July in your penultimate paragraph for records of any and all surveillance conducted on Lee Harvey Oswald in Mexico City or elsewhere is a restatement of one segment of your broad request for any and all materials related to the Kennedy assassination and the investigation thereof, i.e., F-75-6669. As you know, all materials in the entire Oswald file are currently undergoing second review, a review expected to yield a better product than the first review. In light of the number of requesters waiting anxiously for this product, we are not prepared to institute a special and costly search for your request which would disrupt and delay the process for all of these requesters simply to satisfy your recent restatement of request.

In view of your own recognition that the "new request" duplicates while going beyond that of Mark Allen, we quote for you the response to his request of 13 July:

> "Please be advised that the existence or non-existence of the records you request is currently properly classified pursuant to Executive Order 11652 and therefore is exempt from disclosure in accordance with exemption (b)(1) of the FOIA. By this answer we are neither confirming nor denying that such records exist. It is further determined that the fact of the existence or non-existence of the records also pertains to information relating to intelligence sources and

methods which the Director of Central Intelligence has the responsibility to protect from unauthorized disclosure pursuant to 50 U.S.C. 403(d)(3) and is therefore exempt from disclosure in accordance with exemption (b)(3) of the FOIA."

The above decision was made by Mr. Charles A. Briggs, Chief of the Services Staff. The decision is currently under appeal by Mr. Allen but is now subject to your appeal. As you know, such appeal should be addressed to the Agency's Information Review Committee via the undersigned.

The enclosed organizational charts are those included on pages 96-102 of the Senate Committee's Supplementary Detailed Staff Report on Foreign and Military Intelligence, Book IV, Report 94-755 of the 94th Congress, 2nd Session, dated 23 April 1976. The publication is available to the public from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

Sincerely,

/s/ GFW
